
Exchequer Report – June 2008 Skorragarð Populace Meeting

Greetings to the Canton of Skorragarð. As always, fundraising work continues for the Canton. Anyone who would like to receive copies of the cookbooks to sell can see me after the meeting or contact me at clarissima.dellachiesa@yahoo.com. The price is \$5.00 each. Remember, this is potential money for the Canton and all help will be appreciated.

In February the Financial Committee decided to find a new bank for the Canton account due to the difficulty in working with Arvest every time we have had to change officers on the account. At the end of April we opened a new bank account with BancFirst. Once the appropriate signature cards are on file with the new bank we will transfer all funds and close the Arvest account. I would like to ask that anyone with outstanding checks please deposit them as soon as possible so that we can move quickly in completing this change.

Our beginning balance for April 2008 was \$1674.96. We had no paid out and took in \$135.00, leaving us with an ending balance for the month of \$1809.96. For May we took in \$35.00. The only expense for the period was the purchase of checks for the new account.

In service,
Clarissima della Chiesa
